CHP Embosser Available

The American Academy of Health Physics (AAHP) has made arrangements for all active CHPs to purchase an embosser. The embosser imprints a seal on a document, similar to those used by notaries, which contains the CHP's name and ID number (see the example below.) The embosser is available through the AAHP Web site (<http://hps1.org/aahp/>). Use the "Members Only" link to get to the embosser ordering information. (You should have received an email with your password. If you have forgotten it or don't know it, send an email to webmaster@hps1.org.)

Example of Embossed Seal

There are two ways to order your embosser via the Internet, using a credit card. There are a variety of options of embossers and cases available; however, the basic embosser costs \$34.95. A variety of shipping options are available as well.
