

# Corner

Nancy M. Daugherty

It's new! With this issue of the *Newsletter*, the American Academy of Health Physics (AAHP) and American Board of Health Physics introduce the "CHP Corner."

This monthly column will be used to provide timely notification of activities and schedules of special interest to certified health physicists and others who might pursue certification. The semi-annual *CHP News* newsletter will continue to include more lengthy discussions of substantive certification issues. Please address any contributions for either "CHP Corner" or the *CHP News* to:

Nancy M. Daugherty, CHP  
Editor, *CHP News*  
511 N. Bermont  
Lafayette, CO 80026  
303-966-8533; FAX: 303-966-8575

## Application Fee Refunds

The AAHP has announced that people who submitted application fees for certification prior to the 1990 exam, but did not take the exam, must submit a written application for the refunds postmarked by 1 March 1993. Thereafter, the AAHP will close its books on refunds and any unrefunded monies will be turned over to the cash reserves of the AAHP. Effective with applications for the 1990 exam, all fees are now non-refundable.

Those eligible for refunds should address requests to:

Nancy Johnson  
AAHP Secretariat  
8000 Westpark Dr., Ste. 130  
McLean, VA 22102  
FAX: 703-790-9063

Requests for refunds should include all applicable identifying information, including address at the time of the application (if different), date of application and amount submitted, as well as current phone number. Requests for refunds will be honored only when accompanied by adequate documentation. Please allow six to eight weeks for processing.

## Don't Forget

- 15 January 1993:** Postmark deadline for applications for the 1993 Certification Exam.
- 1 March 1993:** Nominations for the Wm. B. McAdams Outstanding Service Award. Contact the ABHP Vice Chair.
